## EASTER WEEK DANCE.

The young men of Farmington gave a most enjoyable dance at the Opera House Tuesday evening. The music was fine and the large crowd enjoyed a most delightful evening.

## FIRST ANNIVERSARY.

Mrs. Richard Shoemaker entertained on Saturday night in honor of their first wedding anniversary. The affair was a complete surprise to Mr. Shoemaker. The men present were just the friends Mr. Shoemaker had a little over a year previous, when he announced his coming marriage to Miss Ray Steele of Los Angeles, Cal.

Mrs. Shoemaker proved herself to be a most charming hostess. In the refreshments, flowers and favors the Easter scheme was carried out. The invited guests were Misses Florence Lawrence, Beth Hail, Irene Nixon, Emma Keller, Jess Spangh, Mrs. Herbert Washburn and Mrs. Genevieve Logan, Messrs. Kossuth Weber, Lefe Johnson, Will Taylor, Will Steele, Dr. Horton, Earl Stanard and Herbert Washburn.

## FARMINGTON TO PLAY

### FLAT RIVER SUNDAY.

The Farmington baseball team, which was organized recently, will open the season with Flat River next Sunday, April 18th, at Flat River. The new uniforms will arrive to-day (Friday), and the boys are confident that they will defeat Flat River. The team will probably line up as follows: Ashbury, catcher; Davis or Murphy, pitcher; Highley, first base; Williams, second base; Blue, third base; Johnson, short stop; Hough (capt.), left field; Moore, center field; Evans, right field; Priester, substitute.

## NEW TRUST COMPANY.

The Federal Trust Company is the name of a new financial institution organized in St. Louis last week for the purpose of handling bonds and other securities. Former State Insurance Commissioner W. D. Vandiver has been elected president and Hon. M. R. Smith of Farmington secretary. The Federal Trust Company was chartered last November with a capital stock of \$500,000, more than one-half of which has been subscribed. The men behind this institution represent more than a million and a half capital, and as it occupies a new field in the West, the promoters of the enterprise are sanguine of its success. One feature of the company is to furnish surety bonds, and as the records of the State Insurance Department show that nearly \$400,000 was spent in Missouri last year for surety bonds alone, a large business is anticipated from that source.

Our 20c coffee pleases lots of folks—Klein's.

## IMPROVEMENT IN M. R. & B. T. PASSENGER SERVICE.

For several years a through coach has been carried on the M. R. & B. T. railroad on its early morning train No. 35 in connection with the St. L. I. M. & S. railway, and to further the accommodation of its patrons, arrangements have been completed to extend the through coach service on all trains, beginning Sunday, April 25th, thus practically giving a through train service to and from all stations on the line of the M. R. & B. T. railway and the St. Louis Union Station without transfer. This will prove a great accommodation to the patrons of the M. R. & B. T., which has always been very considerate of their comfort and needs, and ought to increase the travel on that line.

The Cape Normal Military Band will include Farmington in its third tour of Southeast Missouri, appearing at the Opera House Wednesday evening, April 28.

## W. S. MILLER MEETS WITH

### SERIOUS ACCIDENT.

Thursday morning of this week, while working the buzz planer at the shops of Lang & Bro. M. & M. Company, Mr. Wm. S. Miller had the thumb of his left hand cut off at the first joint. The bone was severed and the end of the thumb hung by a small portion of the skin. He immediately went to Dr. Fleming's office, who adjusted the dismembered portion and sewed it in place. If no complications set in, which is greatly to be hoped, it is believed that his thumb will be saved. Mr. Miller's many friends will be sorry to hear of his misfortune.

## A DELIGHTFUL TIME.

On Thursday evening, April 8th, a number of friends of Mr. G. N. Baker and family collected at their home north of Libertyville to spend the evening and give them a surprise. After the excitement had subsided and the guests had greeted the family and each other, all proceeded to enjoy themselves. The evening passed off in conversation and music, which was much enjoyed by those present.

Mr. Baker recently sold his farm to Mr. Estes of Flat River, and they will shortly leave for Farmington, where they will reside until the latter part of August, when they expect to make their home in Holington, Kansas. It was in honor of this event the friends gathered.

Mr. Baker and family have a host of friends in this community who are reluctant to give them up. They are both devoted members of the Christian Church of this place. They will not only be missed by the community, but by the Sunday School and Church.

All had a nice time and about 11 o'clock the guests left, thanking the host and hostess for the charming manner in which they had been entertained, and wishing them a pleasant and prosperous journey to their new home.
